I.Q. Test

#10

**IF YOU DO NOT MAKE THE OFFICER LINE, HOW WILL THIS EFFECT YOUR
ROLE AS A MEMBER OF THE TEAM?**

A. I will continue to seek leadership roles by becoming an officer of the social club and by performing a solo at competition.

B. Whether I make officer or not, I will be dancing on a very popular, private team next year. This team often travels to three to five contests a year and practices four nights a week.

C. Regardless of whether or not I make the officer line, my goal still remains to continue my dance education on the college level. I will meet with the director and find out my strengths and weaknesses after the tryouts. Next, I will seek additional training in a technique class offered at a local dance studio as well as audition for the high kick club next fall.

D. I have always dreamed of earning the title of captain for a dance team, and if I do not reach this goal, I will quit the team to seek a leadership position with the student council.

E. both a and c
