#18

WHAT OTHER MAJOR RESPONSIBILITIES OUTSIDE OF THE DANCE PROGRAM DO YOU ANTICIPATE FOR NEXT YEAR? WILL YOU BE ABLE TO WORK THESE CONFLICTS AROUND YOUR DANCE TEAM SCHEDULE?

A. I will be auditioning for the school musical in January. The practices are scheduled after drill team. If any conflicts do occur, I will be respectful in notifying the director at least several weeks in advance.

B. I will be writing for the school newspaper, attending piano lessons, and running off-season track. I will always work these around my dance team schedule.

C. I am looking for an after school job right now.

D. The dance team is my life and I have no desire to be a member of other clubs.

E. I am training to enter a preliminary Miss America Pageant. I will have to miss several football games and a contest in order to compete. However, I will be using my solo performed in the pageant for spring show.
